Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 08 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and warm, with plenty of sunshine.

Today:
Another dry and fine day with only patchy cloud, giving plenty of sunshine throughout the region. Feeling warm too, especially in the south, and thanks to only a light breeze. Maximum temperature 24 deg C (75 deg F).

Tonight:
Remaining dry overnight, with little to no cloud, allowing for a clear night with calm winds. Turning cool in one or two rural spots. Minimum temperature 8 deg C (46 deg F).

Wednesday:
A bright start but patchy cloud soon approaches. Some isolated showers are likely in the afternoon, though breaks in the cloud still allow for sunny spells. Feeling warm. Dry overnight. Maximum temperature 25 deg C (77 deg F).

Outlook for Thursday to Saturday:
Patchy cloud and sunny spells Thursday and Friday, with some possible isolated showers, but generally dry. Dry throughout with brighter skies on Saturday. Feeling warm.
